

Lok Satta

Vision Building Exercise

Date : December 4th and 5th 1999

Venue : APCOB Coop Training Institute
Hyderabad

Dream

- Democratic organizational structure spreading to all corners of AP to the grass-root level
- Effective networking with like minded (people) groups across the country
- Achieving 70-80% of democratic reforms mentioned in Articles of Lok Satta
- Empowerment of stake-holders
- Decisive Watch Dog role in the governance process

Tension

- Elaborate, Specific details of the reform proposals
- Seeking endorsement of the above by a wider section of public/domain experts and opinion makers, through effective interaction
- Influencing decision makers
- Direct resources to build effective primary/district units on a pilot basis in a short time span and emulate the results in the rest of the state
- Educate the members of Lok Satta in organizational self-governance

Tension

- Identify like minded groups and forge alliances with them
- Develop abilities/ acquire skills to function as an effective watch dog to ensure proper implementation of the reforms
- Develop organizational strength to seize opportunities for enhancing people's power
- Raise resources

Mission Statement

- People centered, genuinely democratic governance as reflected by clear linkage between taxes - and public services, Vote and well being of citizens Authority and Accountability
- A governance system that can fulfil the necessary pre-conditions for a civilized democracy namely Rule of Law, Basic freedoms, Basic Infrastructure & Economic Opportunities, Universal access to Primary Health and School Education, and Speedy and Efficient Justice

Statement of Current Reality

- Clear agenda, capacity to build consensus, built a non-partisan and credible image across the state with a vast reservoir of good will
- Emerging as a leading movement in governance reforms at the National level
- Hasn't been able to expand within AP as fast as we would like to and to bridge the gulf between spread of ideas and organizational building
- Our reach is largely limited to educated middle class who have not been sufficiently motivated for self-action
- Tendency of people remaining passive and of people leaning too much on Lok Satta
- Proven ability to act in short bursts but inability to sustain at grass
